

Thank you for your interest in the Elkhart Environmental Processing Corp treatment facility in Elkhart. The facility accepts septage, portable toilet waste, grease trap and car wash wastes and other non-hazardous liquid wastes (with prior approval). Setting up an account at Elkhart Environmental is quick and easy, we would welcome you as a valued customer.

Complete and return the enclosed "Application for Disposal Privileges" and "Personal Guaranty" forms prior to arrival at the facility. We need both your IDEM Business Permit Number and each individual truck permit numbers. Be sure to include an insurance certificate with Elkhart Environmental Processing Corp listed as additionally insured.

As required by Elkhart Environmental's IDEM permit, a Waste Acceptance Form must be completed for each load. The forms will be supplied by Elkhart Environmental. A copy is attached for your reference.

Also enclosed please find a rate schedule and directions to the Elkhart Environmental Processing Corp facility.

Please do not hesitate to give Sam Ascencio, Plant Manager, a call at (574) 266-7571 or Tom Ferrero, President, at (267) 250-4068 should you have any questions.

PERSONAL GUARANTY

In Consideration of Elkhart Environmental Processing Corp (hereinafter individually and jointly referred to as the “Treatment Facility”) granting credit to \_\_\_\_\_ (hereinafter referred to as the “Company”), the undersigned personally and unconditionally guarantees to the Treatment Facility the payment of any obligation of the Company and its successors and assigns including any new entity formed. This obligation includes any and all of the Company’s liabilities, obligations, debts and indebtedness to the Treatment Facility, now owing or hereinafter incurred or created including all costs, fees and expenses, including but not limited to all legal, collection and other professional expenses. Venue and jurisdiction of any legal action will be in Elkhart County, Elkhart, Indiana.

The Undersigned:

- Understands this is a continuing and irrevocable guaranty and is binding on the Guarantor and Guarantor’s heirs, successors and assigns so long as any indebtedness remains unpaid.
- Understands this guaranty shall continue until the undersigned has notified the Treatment Facility in writing of its cancellation, but such cancellation shall not alter any obligation of the undersigned arising hereunder prior to receipt of such written notice.
- Consents to hereby waive notice of default, nonpayment and notice thereof.
- Agrees that a facsimile shall be as binding as an original signature.
- Acknowledges and represents that any title(s) written near the signature below is/are intended merely to clarify the individual’s position with the company and in no way is intended to limit or cancel the personal nature of this guaranty.

The undersigned personal guarantor, recognizing that his/her individual credit history may be a necessary factor in the evaluation of this personal guaranty, hereby consents to and authorizes the use of consumer credit reports on the undersigned, by the above named business credit grantor, from time to time as needed, in the credit evaluation process.

## A few key points:

### Hours:

Monday to Friday 7:00 am to 5:00 pm

Saturday 8:00 am to 12:00 noon

Additional fee of \$25.00 per load to open facility one hour early or one hour late.

Additional fee of \$75.00 per load to have facility opened at other times (evenings, Saturday afternoon, or Sundays)

### Rates:

Septage and Portable Toilet Waste      \$0.075 per gallon

Grease Trap Wastes      \$0.1525 per gallon

Car Wash Wastes      \$0.19 per gallon

Solids      \$85.00 per cubic yard

Other waste pricing based on specific waste stream.

Minimum Charge 1,000 gallons per load

### Unloading:

The facility can adapt to your quick disconnect in 3", 4", and 6". If you have special requirements please get in touch with the facility.

### Waste Acceptance Form:

As required by Elkhart Environmental's IDEM permit, a Waste Acceptance Form must be completed for each load. This form will be completed when the load arrives at the facility by an Elkhart Environmental operator. A copy is included in the Policies and Procedures Manual for your reference.

### Invoicing:

The volume discharged will be measured by a calibrated flow meter and invoiced at the gallonage reading with a minimum 1,000 gallon charge. Mixed loads (septage and grease trap waste) will be accepted. Invoicing will be weekly with payments due within thirty(30) days of the date of the invoice.
